Projects:

- Deutsche Consulting: Deutsche Consulting is a business consulting and advisory platform that helps organizations achieve sustainable growth through legal advisory, financial solutions, digital transformation, and creative business services. The platform provides strategic consulting for startups, SMEs, and enterprises, offering expertise in compliance management, financial planning, business strategy, governance, taxation, and digital innovation. The website serves as a comprehensive hub for businesses seeking professional guidance, industry insights, and tailored solutions to optimize operations and drive long-term success.

- Irish Expert Immigration: Irish Expert is a global immigration and work visa consultancy platform that helps professionals, students, and families explore international opportunities in countries such as Ireland, France, and Singapore. The platform provides end-to-end guidance for work visas, immigration pathways, overseas career opportunities, residency programs, and relocation services. The website serves as a comprehensive portal where users can assess eligibility, explore immigration options, book consultations, and connect with immigration experts for personalized guidance.

- SportConnect: Developed a dynamic web platform for sports enthusiasts, featuring collaborative tools, personalized fitness training modules, and a curated shopping experience for sports accessories.
